

Unexpected extras

Does your insurance do this for you?

ERIE's auto insurance policy provides you and your family with extra features that go beyond the standard auto insurance coverage at no additional cost.

So, when you purchase an ERIE policy with comprehensive and collision coverage, you also get these added benefits:

- Your collision deductible will be waived if you are involved in an accident with another auto insured by Erie Insurance.*
- Your comprehensive deductible will be waived when a damaged windshield is repaired instead of replaced (additional premium required in New York).

You also have the option to purchase physical damage coverage, which adds these benefits:

- ERIE will pay up to \$75 per person for travel costs, including meals and lodging, if your car is disabled because of a covered loss.
- ERIE will pay up to \$350 for loss to personal property, such as clothing and luggage, because of a covered loss while the personal property is in an auto we insure. Theft losses are covered if the entire vehicle is stolen.
