

What is Boat/Personal Watercraft Insurance?

A Boat and Personal Watercraft Insurance Policy provides boaters with specialized coverage designed for your Boat or Personal Watercraft. Insurance options range from Personal Effects Replacement to Fuel Spill coverage, which means you can relax on the water knowing you're protected.

A standard Watercraft Insurance provides Bodily Injury Liability, Property Damage Liability, and Medical Payments. Physical Damage coverage can be purchased. Boat Insurance policies are flexible and can be tailor-made based on your needs. Additional coverage's include Personal Effects Replacement, On-Water Towing and Labor Coverage, Fishing Equipment, and Fuel Spill Liability. For a complete breakdown of optional coverage's, view the Boat Insurance links on this page.
