

## **What is Business/Commercial Insurance?**

Commercial Insurance is a product designed for business owners. Commercial Insurance provides coverage for business operations, including Boiler and Machinery (Equipment Breakdown), Business Income, Commercial Auto, Comprehensive General Liability, Directors and Officers Liability, Fire and Allied Lines, Inland Marine, Product Liability, Professional Liability, Surety and Fidelity, and Workers Compensation.

## **Featured Products**

We have experience in Auto Dealers, Auto Repair, Commercial Auto, Contractors, Farms, Garages, Office Buildings, Machine Shops, Print Shops, Landlords, Retail Stores, and Restaurants. In addition, we have several specialty accounts of a more unique nature. We support all of our accounts with Workers Compensation, NYS DBL, and Commercial Umbrellas. We provide convenient pay plans and best of all, we are here to help you with those pesky AUDITS!
